AMENDMENT TO REPLACE DRAWINGS

Commissioner for Patents
P.O. Box 1450
Alexandria, Virginia 22313-1450

Sir:

Please replace the originally filed drawings (Figures 1-2, Sheets 1-2) with the attached drawings (Figures 1-2, Sheets 1-2).

REMARKS

This amendment submits replacement drawings for the above referenced case. The replacement drawings include a capacitor value in accordance with the drawings submitted with the priority application for this case. However, this capacitor value was inadvertently omitted on the drawing sheets submitted to the United States Patent and Trademark Office upon United States national phase entry. Since the priority document clearly indicates this value, applicant believes no new matter is introduced by the replacement drawings. Applicant respectfully requests entry of the replacement drawings.

No fee is believed due. However if a fee is due, please charge such fee to deposit account 07-0832.

Respectfully submitted,
Jean Pierre Bertlin
